- Arts & Crafts

Description of Products\*

(List products intended for sale)

Attach an additional list if needed. Approval of products is made by the DFM and changes to this list made during the market season needs to be submitted in writing and are subject to prior approval.

# DESNE FARMERS' MARKET 2023

## Membership and Market Fees:

Membership fee to Desné Farmers' Market Society \$ 20.00 / year

Table rental fee (payable prior to each market) \$ 20.00 / market

## Please initial each of the market rules below to indicate that you have read and understood them.

- Only locally-made agriculture products, processed foods, arts & crafts or food concession will be sold at the market
- If you will be selling food (hot, cold, baking, beverages, jams, jellies, etc.) at the market, you have attached your Temporary Food Establishment Permit that has been approved by the GNWT's environmental health officer. You understand that you cannot sell food at the market without the Temporary Food Establishment Permit and that you must have a copy of this permit available for inspection at your table each time you attend the market.
- Vendors must be members of the DFM Society. The annual fee for membership is set at \$20.00, and includes a free table the first time the vendor sells at the market. Subsequent market attendance is \$20 per week per vendor.
- The market opens officially when the market bell rings at 1 p.m. Sales cannot begin until 1 p.m.
- Vendors must display a sign at their table bearing their business name.
- DFM does not provide security during the market operation. Vendors are reminded to be alert and to keep their cash and products secure. The DFM is not responsible for damages due to fire, theft or any damages that occur as a result of the vendor's actions at the market.
- Vendors can sell products at the market under the Desné Farmers' Market business license. However, any vendors who sell products at other venues are obligated to obtain a business license from the Town of Fort Smith in order to comply with Town by-laws.
- In an effort to demonstrate the market's value to the community, each vendor will complete an anonymous and confidential survey after each market day providing their gross sales.
